Common Questions: CEP or OA Change?

**C.E.P.**
Currently Enrolled Provider registration is used when:
- Legacy MMIS+ providers who migrated to NCTracks but never completed a CEP registration

**O.A. Change**
Office Administrator Change Process is used:
- When the previous OA is no longer available
- If you're the OA but had to get a new NCID
- If you're an individual provider and you want to be your own OA

*Which should you use?*
