OVERVIEW
This Job Aid provides foundational information on the purpose and requirements for provider re-verification and guides the user through the steps for completing the re-verification process through NCTracks.

RE-VERIFICATION PURPOSE
The re-verification process ensures the provider record is accurate and allows a criminal background check for all owners and managing relationships associated with the provider record.

The Code of Federal Regulations, Title 42, Part 455.414 requires the state Medicaid agency to re-validate the enrollment of all providers regardless of the provider type at least every 5 years. Therefore, NC Medicaid providers are required to complete the re-verification process every 5 years.

In addition to the criminal background check, a set of fingerprints may be required from each individual provider and any owner that has a 5% or more direct or indirect ownership in the provider/entity. Fingerprint requirements are based on the provider type risk level. Only the individual provider and owners with 5% or more ownership for certain high-risk provider types will be required to upload fingerprint information.

A site visit by Public Consulting Group (PCG) may also be required.

RE-VERIFICATION FEES
- A $100 North Carolina Application Fee is required from individual providers.
- A $100 North Carolina Application Fee is also required from organizations and atypical organizations if active in Medicaid.
- The Federal Fee will be required pursuant to federal requirements. (Please refer to the Provider Permission Matrix [PPM], available under Quick Links on the Provider Enrollment home page.)
- The Federal Fee changes from year to year. The Federal Fee can be found under Quick Links on the Provider Enrollment home page by selecting the Federal Fees & NC Enrollment Fees by Year link.

Note: Effective January 9, 2022, NCTracks no longer requires Medicaid providers to pay the $100 NC Application Fee with Enrollment and Re-verification applications, pursuant to NC Senate Bill 105 Session Law 2021-180 Section 9D.9(a).

Note: The NC Application Fee is non-refundable if the provider application is denied.

In the event that the enrolling provider type requires fingerprinting, NCTracks will not require any additional fees. However, the local fingerprinting agency may require a fee for their service. It is recommended that the agency be contacted to confirm.

WHO MUST COMPLETE RE-VERIFICATION?
Actively enrolled individual, organization, and atypical organization providers are required to complete the Re-verification application.
Note: The Office Administrator (OA) or the Enrollment Specialist (ES) for the provider can complete the re-verification process. However, the OA is the only person who can submit the Re-verification application.

RE-VERIFICATION EXCEPTIONS

Exceptions for providers who do not need to complete re-verification are:

- Providers enrolled with a Division of Mental Health (DMH) only health plan.
- Providers who are time-limited enrolled such as out-of-state (OOS) Lite providers. **Note:** Be aware that OOS Lite providers must continue to complete the enrollment process every 365 days.
- Providers with an active 302R00000X Health Maintenance Organization or 305R00000X Preferred Provider Organization taxonomy code.
- Newly enrolled providers do not need to complete re-verification for 5 years.

RE-VERIFICATION LETTER

When a provider is due to complete a Re-verification application, a Re-verification Letter will be sent to the provider’s NCTracks Message Center Inbox 70 days before the due date. The Re-verification Letter instructs the provider to navigate to their Status and Management page and electronically complete and submit the Re-verification application.

If a Re-verification application is not submitted, reminder letters will be sent to the provider’s Message Center Inbox at 50 days, 20 days, and 5 days prior to the provider’s re-verification due date.
SUSPENSION LETTER

If the Re-verification application is NOT submitted 70 days prior to the due date indicated on the initial re-verification notification letter, the provider’s NC Medicaid, Division of Public Health (DPH), and Office of Rural Health (ORH)/Migrant Health plans will be suspended for 50 days.

A Re-verification Suspension Letter will be sent to the provider’s Message Center Inbox. A hardcopy of the letter will also be sent by regular U.S. postal mail.

The provider’s claims will pend if their record is suspended.

Claims will continue to pend until the Re-verification application is submitted by the provider.
Dear [Salutation],

Our record indicates that you have not submitted a Re-verification Application.

Your claims are now suspended.

To continue participation in the North Carolina DHHS programs, you must complete the Re-verification Application by MM/DD/YYYY. If you submit your Re-verification Application by MM/DD/YYYY, your suspended claims will be released for processing.

Your Office Administrator should follow these steps to complete the re-verification application:

1. Login to the NCTracks Secure Provider Portal (http://www.nctracks.nc.gov)
2. Navigate to the Status and Management Page
3. Your NPI/Atypical ID will be located in the Re-verification Section
4. Select the NPI/Atypical ID and click Re-verify
5. Complete and submit the Re-verification Application

IF THIS REQUEST IS NOT COMPLETED BY MM/DD/YYYY, YOUR NPI/ATYPICAL ID WILL BE TERMINATED AND A RE-ENROLLMENT WILL BE REQUIRED TO PARTICIPATE IN THE DHHS PROGRAMS.

If you have any questions regarding this notice or need additional assistance, please contact the CSRA Call Center at 800-688-6696 or NCTracksprovider@nctracks.com.
TERMINATION LETTER
The provider will be terminated from the NC Medicaid, Division of Mental Health (DMH), DPH, and ORH/Migrant Health plans following 50 days of suspension.

An automated process will release “Pended” claims with dates of service prior to the re-verification due date to continue to adjudicate. “Pended” claims submitted with dates of service during the suspension period will release and deny.

SUPPORTING DOCUMENTATION REQUIRED
If during the credentialing process the application is deemed incomplete or if additional information is required, the provider will receive a notification letter indicating that they will have 30 days to submit the required information or the application will be abandoned. If documentation is received timely, but is inadequate, the provider will be given an additional 10 days to submit the required information. If the information is received and reviewed, but it is still deemed inadequate, the provider will be given an additional 10 days. If the correct information is not received the third time, the application will be abandoned. If no documentation is received after the first 30-day notice or either of the 10-day notices, the application will be abandoned.
Abandoned Re-verification applications will result in the termination of the provider’s Medicaid, DPH, and ORH/Migrant Health plans if the current date is after the suspension date. If Medicaid, DPH, and ORH/Migrant Health are the only active health plans on the provider’s record, a Re-enrollment application will be required. If the current date is before the suspension date, the provider can resubmit the Re-verification application.

If you have already passed your Re-verification Due Date, your health plans will be terminated and you will be required to re-enroll. If you have not already passed your Re-verification Due Date, you must complete and submit a new Re-verification application and pay any applicable fees.

If you have any questions regarding this notice or need additional assistance, please contact the NCTtracks Operations Center 800-688-6696 or email the NCTtracks Operations Center at NCTtracksprovider@ncttracks.com
